Ref — Letter from G. W. Wells Esq., M.A., I.C.S., Collector of South Kanara, C.No. 2525-31 A.2 dated the 10th March 1931.

Reference.

The Collector of South Kanara has selected Mr.K.Gulam Muhammad Sahib a Deputy Tahsildar for appointment as Inspecting Tahsildar in the district as there is no other Tahsildar or Deputy Tahsildar in the district suitable for appointment to that post. Mr. Gulam Muhammad who was first employed as a Probationary Deputy Tahsildar was in independent charge of a firka only for 3 months. He worked under the Inspecting Tahsildar for 2 months in 1926 but during the period he was simply present during the Inspecting Tahsildar's inspection of village registers and his

checking of the sub division work of karnams and Revenue Inspectors. He was not taught anything about the maintenance of the survey advance accounts or the taluk manual accounts Nos. 4 to 8 A or about the procedure to be followed in land acquisition cases. The Board therefore considers that he should be given the special training in maintenance for one month prescribed in G.O. No.791 Rev. dated 26th April 1930 before he is appointed as Inspecting Tahsildar.

2. Two Tahsildars in the district were given the special training in maintenance last year but they are neither young nor active and are therefore unsuitable for the post of Inspecting Tahsildar. The present Inspecting Tahsildar has been doing this work for over 4 years and is 51 years of age and it is not fair to retain him any longer in that post. The Collector therefore wants to revert him to the regular line as early as possible. As the next school for the training of candidates in maintenance is not likely to be held before September or October next, the Director of Land Records suggests that Mr. Gulam Muhammad may be given special training in maintenance by the Inspecting Tahsildar of the district early next month. At the close of the training Mr. Gulam Muhammad will be required to answer a question paper in theory set by the Director of Land Records and if he passes the examination he may be appointed as Inspecting Tahsildar as he has already undergone the training in theodolite survey The Board approves the Director of Land Record's proposal and requests that Government will be pleased to sanction at a very early date the training of Mr. Gulam Muhammad in maintenance by the Inspecting Tahsildar of the district for one month from about 10th April 1931.

The cost of the training will be met from the provision proposed in Board's U.O.No.C.6266-30-1 dated 10th Septr.1930 for

the

the training of Tahsildars and Deputy Tahsildars in maintenance work during 1931-32.

2. From para 2 of the Boards' Reg it will be seen that in the last year two Tahsildars in the S Kanara district were given the special training in maintenance prescribed in Go 791 Rev Dy 24.4.1930

(K) The Board considers that these officers cannot be appointed as inspecting Tahsildars on the ground that they are neither young nor active ~~[illegible]~~

3. The Question now for Consideration is (1) Whether the proposal to give the special

training to Ghulam Muhammad Sahib
should be approved now or (2) whether
~~the~~ one of the Officers trained
last year should be appointed
as inspecting tahsildar till
the next school for the training
of Candidates in maintenance is
held which will be in Sept. or
October next. or (3) Whether
the existing inspecting tahsildar
should be required to continue
in service till the next
school for training is held

If however it is decided
that the Board's proposal should
be approved, the draft order is
~~forwarded~~ for approval

I would submit that either
to allow the present Inspecting Tahsildar,
PT
26/3/31 (who is aged 57) to continue, or Thro' C
to appoint either of the two Tahsildars
DS
26.3.31
who had training last year (and who are
SM
26/3/31
reported to be old & inactive)
to do either would mean that the work would
suffer. The Board's proposal may therefore
be approved.

I presume that the intention is to keep Ghulam M.d Sahib as Inspecting Tahr. for some years. If so, how will this affect his prospects of appointment as permanent Tahr. & further promotion

To under secy.

Under the statutory rules Ghulam Muhammad Sahib can count service as Inspecting Tahsr only up to a maximum of one year towards the service of two years as Talka Tahr which is the absolute minimum required before an individual can be appointed — i.e. confirmed as Tahr.
